MSA Needed

Could you be who we are looking for? From September we have a vacancy for a Midday Supervisor to support the children at lunchtimes (12:00-1:15pm Monday - Friday). The role is a fantastic way to gain some experience of working with children. If you are interested in this role, please pop into school and speak to Miss Lonergan for more details.

Aylmerton

Children from Years 6, 5 and 4 enjoyed three days of challenges, team building and fun with Aylmerton Field Study Centre this week. For many of the children this was their first time sleeping away from home. The children were exceptional in every way, they: grew in confidence, became effective team members, were polite, didn't moan (even when they were tired) and were said to be the best group of the year for keeping their dormitories tidy! It was a privilege and a pleasure to take the children away for the three days; I know that memories were made and children were positively changed.

Move -up Day

There was an exciting buzz around the school yesterday as children enjoyed 'practising' being in their new year group on 'move-up day.' We were pleased to welcome Ms Wallis for the day, who will be joining the Corpusty team as a teacher in September. Our first topic next year across the school will be called 'Incredible.' All classes will be named after incredible animals. Reception and Year 1 will be known as Platypus class; Year 2, 3 and 4 will be known as Narwhal class; and Year 5 and 6 will be known as Rhinoceros class (The Rhinos for short).

Special Meal

The Summer Sizzler meal is on Tuesday. A reminder that if you haven't pre-booked this meal your child will need to bring in a packed lunch.

Ducklings

The children have thoroughly enjoyed watching the ducklings hatch and grow over the last week. They have all had the opportunity to hold them and watch them take a swim!

Nearly there!

We are sure you have all noticed the exciting developments at the front of our school. The new astro turf and trim trail should hopefully be finished early next week.

From the Friends

Family Fun Day

Thank you to everyone that came along to support the Corpusty Family Fun Day on Sunday afternoon. The afternoon was very successful and we made an excellent profit of £198. Lots of visitors of all ages enjoyed this popular event at the Station building that included a BBQ, tea & cakes, tombola, fete stalls, ice creams & there was even an adults & children game of rounders on the playing field! We also made £28.50 selling remaining cakes after school on Monday. Thank you for supporting Corpusty Primary School with this fund raising event.
